University Dorms

Sinai University offers a diverse university life and a unique experience for all students. Being more than just a campus, SU is located within the resort of Sama El Arish- an all-inclusive resort with a private beach on the Mediterranean Sea. This offers students the opportunity to enjoy all the hotel's features including hotel rooms, cleaning services, security, restaurants and internet during their stay in the dorms.

SU offers a variety of fully serviced hotel rooms for students and academic faculty members.

University Social Life & Activities

There is a variety of student's activities available at SU that teach students management skills and show interests of the student body. University artistic activities include Drama classes and galleries, which increase and develop student's creativity.

Sports activities moreover help create a competitive spirit by participating in many university-level tournaments.

Transportation

The University provides its transportation facility (buses) to accommodate student's needs.

Research Department

The key is to provide our students with training and actual practicing

We always believe in the bright minds of our students, so we always keep in mind how to facilitate the learning process of student projects and researchers and provide them with the latest technology and updated equipment to meet their needs to possess the knowledge.

Sinai University aims to establish itself as one of the leading universities in the Middle East in the field of scientific research and to ensure that its research contributes to the welfare of the community.
