

## Curriculum Vitae

- **Name:** Hend Atef Kamel
- **Title:** Lecturer
- **Department:** Microbiology and immunology
- **E-mail:** hend.atef@su.edu.eg

### A) Academic Qualifications:

- |   |                     |            |
|---|---------------------|------------|
| - Bachelor's Degree in Pharmaceutica science      | University: Zagazig | Year:2010. |
| - Master's degree in microbiology and immunology. | University: Zagazig | Year:2018. |
| - Ph.D in Microbiology and immunoogy.             | University: Zagazig | Year:2022. |

### B) Academic promotions :

- |                       |           |
|-----------------------|-----------|
| - Demonstrator,       | Date:2015 |
| - Assistant Lecturer, | Date:2018 |
| - Lecturer,           | Date:2022 |

### C) Scientific Merit:

- Google Scholar <https://scholar.google.com/citations?user=k5yXAekAAAAJ&hl=en&oi=ao>
- Scopes ID 57210689856
- Citations: 79                      h-index: 3                      i10-index: 2
- Orcid –N 0000-0002-0475-4577

### D) Academic Administrative Experiences:

Lecturer 2022\_till Now (At Microbiology & Immunology Department) • Sinai University

Assistant Lecturer / 2018 : 2022 (At Microbiology & Immunology Department) • Sinai University

## **E) Scientific Activities**

### **1: Training Courses/workshops:**

- Attending the training course ‘Basic Principles in Assessments’, held at Sinai University, Kantara campus, under supervision of the Quality Assurance Center, 5 March 2023.
- Attending the training course ‘Written Assessments’, held at Sinai University, Kantara campus, under supervision of the Quality Assurance Center, 7 March 2023.

### **2: Conferences, Seminars and Workshops:**

- International Conference on Pharmaceutical and Bio-medical research, 20-21 March 2022, Faculty of Pharmacy, Sinai University

### **3: Teaching Scopes:**

Basic Microbiology & Immunology

Medical microbiology

Public health

Biotechnology

Pathology

Pharmaceutical Microbiology

Parasitology

## **F) Scientific Publications:**

Last 10 year of published Scientific Papers

### **-International journals**

Phenotypic and genotypic detection of antibiotic resistance of *Pseudomonas aeruginosa* isolated from urinary tract infections

Prevalence And Antifungal Drug Resistance Of Nosocomial *Candida* Species Isolated From Two University Hospital In Egypt

Repurposing Pantoprazole And Haloperidol As Efflux Pump Inhibitors In Azole Resistant Clinical *Candida Albicans* And Non Albican Isolates

## **G) Skills**

- Language Skills: **English: very good. (TOEFL certified)**
- Computer Skills: ICDL certified
- Presentation skills: Very good
